

Financial Support:

Alumni Association supported the Institute in financially also. It donated amount to the institution generously for the infrastructural development. Recently, our college constructed a Commerce Building and Pavers in the campus, for which along with our parent institution's contribution, many of our alumni donated generously to complete both these construction projects. Alumni Association encouraged some of our alumni to financial assistance for the purchase of books, water-cooler, air cooler and inverter for Competitive Study and Guidance Centre. Alumni association helped to the meritorious and financially weaker students by sponsoring scholarship, paying fees, study material and uniforms.

Our Alumni Association played very supporting and constructive role in the overall development of the college.

Final Support by Alumni
