About College

Our college is run by Shri Shivaji Education Society, Amravati. It was established in 1960 by Dr. Panjabrao alias Bhausaheb Deshmukh with the help of social workers, cottonmarket members and the farmers. The farmers, who were starving for higher education, contributed and donated 2.81 lakh rupees by collecting one rupee per cotton loaded cart for the development of college. The college is striving for the welfare of the students by providing quality education to face the challenges of the new globalized world.

Add On Course Modi Lipi

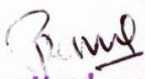

Academic Year- 2020-2021

Aims :-

- MODI was one of the most important scripts of medieval Maharashtra.
- All historical documents of Ch. Shivaji Maharaj and Peshwas are written in MODI.
- MODI is like a short hand.
- Earlier, in Maharashtra, documents regarding Land Revenue, Judiciary, Justice, Donation of Land (Dan-Patra), Religious matters, Property matters (e.g. matters between brothers), Jahagir vatan, Military orders (Farmane) etc. were written in MODI. Research of these medieval documents is not possible without having proper knowledge of MODI script.
- All these documents are kept at archivals like Peshwas Dafftar, Deccan College and Bharat Itihas Sanshodhan Mandal in Pune. But MODI readers are not available easily nowadays.
- One of the specialties of MODI is you can write words together without lifting your hand with which you are writing.

Objective in terms of learning outcomes:

A student of history deciphers modi script, interpretes old modi documents and transcripts modi documents into devnagari for research purpose.

About Course

There are various definitions of Sugam Sangeet. It is also known as 'Kavya Sangeet'. Basically Sugam Sangeet means using easy words and simple 'swarnakans' so that the listeners can easily understand it. It quickly touches the heart of the listeners. Sugam Sangeet is an applied music. One can experiment with various combinations; may it be a combination of classical and folk, two or more ragas or even a simple combination of different tunes.
