### Industrial Visit

### Report

### 2016-2017

The visit to Raman science centre was organized by prior permission and guidance of Principal Dr. A. L. Kulat. A batch of B.Sc. II Chemistry students (56) and three staff coordinators Dr. R.M. Jumle, Mr.R.S.Mankar and Ku.Ashvini Fokmare visited the Raman science centre Nagpur on 25.02.2017.

Incharge of the Raman science centre addressed the students and introduced about the Raman science centre. He explained about the different experiments. He also warned the students how to observe experiments if any damage happens during visit.

Later we are visited to Dr.Ambedkar College Nagpur .

During this session, students interacted with the (Mrs.) Dr. Deepa Panhekar HOD & Associate Professor Department chemistry Dr.Ambedkar College Nagpur, very effectively. Particularly about the chemicals behind the fragrance and their identification, isolation and storage. Then research Scholar, explained the chemistry of the fragrant compounds. He mainly focused on the storage of the raw materials after procuring. He explained how to store the low boiling liquids in cold storage plant and air sensitive compounds under nitrogen atmosphere.

This session was concluded with a tea.

Around 4 p.m we are Visited to Buddhist Temple in Kamtee was quiet, at least from the outside. and the open yard with a few rows of trees surrounding the temple gave it a secluded feel, even though the temple is situated on a main street in Kamtee. I found myself facing a very large hall, with big statues of the Buddha and postures of scriptures and decorating flowers at the far end, and a large open space in front of it, which I thought must be where lay people sit to hear the teachings and learn meditation. Students are found the relaxed, casual feel to this whole place a new, surprising experience. A spiritual and cultural campus dedicated to devotion, learning and harmony.

After the entire visit, the students enjoyed dinner at dhaba on way of Amravati and returned back to college with memories to cherish for long.
